#### POLICY

It is the policy of CYHS that bullying, and cyberbullying defined as any severe or pervasive physical or verbal conduct including writing or electronic communication directed toward a student or students that causes a reasonable or detrimental effect of fear of harm physically, mentally, academically or interferes with their ability to participate in services or privileges provided by the school is strictly prohibited, in accordance with Illinois School Code 105ILSC5/27-23.7.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited**.

**Bullying is contrary to State law and the policies of CYHS.** This policy is consistent with the policies of the school board, charter school, or non-public, non-sectarian elementary or secondary school.

No student shall be subjected to bullying:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by CYHS if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any non-school-related activity, function, or program.

Bullying, as defined in 105 ILCS 5/27- 23.7, may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.
